# What's new..

## Best 4 students play their own ball

In past programs, we've had 2 teams of 4, using the playing format of 'alternative shots' In April, we are going let the top 4 players (based on playing level or handicap) play their own ball. For these lucky players, and whom already train with Coaches Inc. this gives the player the opportunity to graduate and level up. We believe this simple initiative will incentives students to learn and practice more/smarter.

## More time on the golf course

We've increased this from roughly 2.00 hours, to 2.25 hours which may not sound like much, but effectively means the kids can play an extra hole. Getting kids exposed to playing out on the real golf course for close to 9 holes helps to prepare them for when they are ready to play on the course in their own time + obviously creates more purpose and motivation for their coming golf lessons/self practice sessions.

## REGISTRATIONS AND PAYMENT

Completed online. Can register for as many days you want.

## CANCELLATION AND REFUND POLICY

If needing to cancel after originally registering/paying, the refund amount is based on a % as per the below example.

**28 Feb** - you register/pay for your child's 11 April attendance. (booked 42 days in advance).

**21 Mar** - you withdraw your child's 11 April class attendance (21 days notice given)

**Refund** - calculated as; 42 (days in advance booked) divided by 21 (days notice given) = 50% refunded

We do it this way to mitigate our fixed and opportunity costs. We welcome families booking well in advance, but if they occupy spot(s) for a period of time, and then cancel on us, this affects our financial position.

## LUNCH

## MORNING/AFTERNOON BREAKS

Students must bring their own morning and afternoon tea snacks/drinks. Lunch is provided.
